

Bigger than One Parish

Just as the local Parish Church is part of the Diocesan Church, so the Diocesan Church is part of the universal Catholic Church. Likewise, the R.C.I.A. process we participate in here at St. Rita is bigger than just one Parish. We meet with several Parish Communities for the classes and retreats which allows Inquirers to see from the beginning that the Church is in fact comprised of people from all walks of life, and experiences. Rites of passage are celebrated at the individual Parish Church.
